INMATE GRIEVANCE FORM

DATE: February 18, 2006 POD/CELL LOCATION: F 8 Bottom
 INMATE NAME: RHODES, George INMATE NUMBER: 57322

NATURE OF GRIEVANCE OR INFORMATION: On February 16, 2006 Lt. Rocco disapproved Jimmy Forashee's notice of appeal despite logic to hold him accountable for my misconduct & has become an antagonist by fueling malevolence, which already exist under these vampiric conditions.
It by chance I happen to get into a physical conflict either directly or indirectly as a result will not behave in any disrespectful manner towards any Sheriff Department personnel, seeking an excuse or justification to gain promotions through rank & file.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? For the record, any individuals or those in Authority shall not manipulate or contrive methods that cause strife & chaotic situation amongst inmates, which is relatively no different than the U.S. Government's foreign policy designed to create political instability amongst Third World countries.
Please Reverse Lt. Forashee's notice of appeal to restore peaceful relations & harmonious co-existence
Thank you.

INMATE GRIEVANCE FORM

DATE: 01.24.06, 2005 POD/CELL LOCATION: 57322
 INMATE NAME: George Rhodes INMATE NUMBER: F-P01

NATURE OF GRIEVANCE OR INFORMATION: On January 15, 2006 I submitted a request form to Sgt. Davis explaining my situation to avoid a physical conflict with Elm Larcena Dawkins in F8 Top because of his constant actions of going into my area without permission is an invasion of privacy. However, his efforts to provoke + harass me continues despite my official transfer to F9 Bottom. It has reached the point of him literally coming next door & banging on the plastic window disturbing Elm Hall Rubin while he was asleep.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? Quiet actually, since I've been in F-P01 for approximately nine months I have seen numerous individuals that were a source of agitation or disruption removed and placed in different units & pods. I now fully understand why certain family members refuse to bail him out of jail & weary with investing their hard earned money in his future.

DATE: Dec 20 2005 POD/CELL LOCATION: F 6INMATE NAME: George Henry Rhodes, Jr. INMATE NUMBER: 57322

NATURE OF GRIEVANCE OR INFORMATION: On Tuesday, December 20, 2005 at approx 6:00 am C/O Smith called out many names over the intercom system & at the time did not specify the pod location for Mr. George Rhodes. I being uncertain if George Rhodes or George Henry Rhodes, Jr., had a court date simply decided to inquire if she meant the person in F. POD or G. POD. During our conversation & without hesitation C/O Smith clearly stated F. POD & to get ready for court after breakfast.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? Understand, I will give C/O Smith the benefit of doubt for now & disregard this incident as being deliberate. However, in the near future wish to avoid the unnecessary mental anguish & emotional duress stemming from sitting in the multipurpose room as a direct result of incompetency or inflicted by staggerign, which is a severe mental disorder that produces gross violations of human rights. I will only answer to George Henry Rhodes, Jr.

OFFICER RESPONSE OR FINDING?

SGT. ON DUTY RESPONSE:

12-21-05
C/O Smith does NOT work in A-H and does NOT call out names on the intercom. If sitting in the Multipurpose Room causes you unnecessary mental anguish, emotional duress as opposed to sitting in your cell or classroom, I will consider that is what caused you to make a racial remark which only displays ignorance. If anyone is displaying a severe mental disorder, it is the author of this grievance form. Your human rights have not been violated! Det Buchanan

NATURE OF GRIEVANCE OR INFORMATION: On Tuesday, October 18, 2005 at approx 10:00 AM. A Sheriff's Department Personnel made an announcement to all inmates in F-POD, suggesting we file a complaint through proper channels regarding the issue of sleeping under the blankets due to cold temperatures. For the record, many correction officers are walking around this facility with Thermalwind breather jackets to combat the intolerable climate.

Why shall we be penalized for exercising commonsense to stay warm & healthy sleeping under a blanket to protect our best interest of self preservation?

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? I believe a simple solution would be the elimination of harshly extending the time allowed to sleep under the blankets.
